EXAMINER'S AMENDMENT

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 14 November 2005 has been entered.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mark Konieczny on 9 December 2005.

3. In the claims:

Claims 5-8 have been canceled.

Claim 1 has been amended to recite:

(Currently amended) An isolated promoter having a sequence selected from the group consisting of the sequences set forth in SEQ ID NOs: 1 to 3, wherein said promoter is operably linked to a foreign DNA of interest for expression of said foreign DNA of interest.

In claim 9, replace "as defined in" with --of--.

Art Unit: 1638

In claim 10, delete "for transgenic expression in leaves of foreign DNA of interest".

4. The following is an examiner's statement of reasons for allowance:

The Applicant teaches the promoters of SEQ ID NOs: 1 to 3. These SEQ ID NOs sequences are free of the prior art of record. These promoters function to express foreign DNA in plant cells and plants.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Georgia L. Helmer whose telephone number is 571-272-0796. The examiner can normally be reached on M-Th, 10:30 AM - 6:30 PM.
